BALANCED PORTFOLIO OF ASSETS

Barwa Outperformed Qatar Residential Rental Index over 2016-2019

*Yield on operating assets is 8.7% as of Q4 FY19

KPMG Residential Rental Index				Rental Yield			

Current Mix

- Residential assets with labour rooms offers predictable recurring revenue
- Mixed use property leverages both commercial and residential units effectively.
- Warehouse segment complements government thrust on industrialization

Forward Mix

- Foray into Education and Healthcare assets development, delinking from economic cycle
- Building premium residential units
- Increasing development in freehold areas like Lusail

Way Forward is to continue to modulate products based on market & stakeholder demand

*Yield= Revenue/ Investment Properties (Operating Assets + Properties under development + Land bank) = at FV

#Reduction in yield for FY19 is on account of significant increase in value of investment properties, majorly attributable to increase in value of land banks.

However, the yield on operating assets is 8.7% as of Q4FY19.

Inherent Strength built over time resulted in strong Brand Preference...

Timeliness

- Proven developer and operator of a range of assets with timely delivery
- Barwa was able to conclude the construction of Madinat Al Mawater phase 1 & phase 2 projects and Barwa Village Extension projects two months ahead of schedule

Quality

- Quality control is paramount despite tight cost measures
- Routine quality checks at various stages of project life cycle
- High quality was ensured despite cost control at Madinat Al Mawater & Barwa Village Extension

Cost efficiency

- Private sector mindset- cost optimization, efficiency are the key focus areas
- Barwa attained EPC contracts under QAR 2,000 per sqm without compromising on quality for Barwa Village Extension project

Local Expertise

- Understanding of local preferences and effectively built/enhanced private sector capabilities
- Customised delivery model to support government vision, a preferred partner for government initiatives

- In 2004, Qatar ratified Law 17 allowing expats to purchase property in Freehold areas, which gives buyer the title to land as well as structure

- By March 2019, the number of free hold zones increased from 3 to 10

Till date there has been limited impact due to market conditions , however in the long term it may :

- ✓ Create more opportunities for investors and owner occupiers to purchase real estate in Qatar
- ✓ Facilitate a more mature investment market, which will evolve over time
- ✓ Increase in the choice of product and price range available

HOW IT BENEFITS BARWA?

It creates opportunity for:

- ❑ Building more residential units like Lusail Dara A which have mid to high mid residential units built to sale (BTS) model for the developed units
- ❑ Outright sale of the land bank to other developers

- National Vision 2030 lays the foundation to create an impetus for long-term all-round development

QATAR REAL ESTATE – AN OVERVIEW

Residential Sector

- Recent law amendment of expanding freehold ownership in residential sector to provide further incentive to foreign owners to have outright owner
- Currently facing lower demand on account of rising supply in the market

Retail Sector

- Currently witnessing a constant influx of both small and large malls in the country
- Amid competition from newly opened super regional malls, oversupply has led to reduced rentals in the sector

Commercial Sector

- Witnessing a significant expansion of Grade A commercial office space
- Addition of new office space is expected for Qatar in the next decade, most notably in Lusail’s Marina District and Energy City, West Bay, and Msheireb

Healthcare Sector

- Major projects to improve Qatar healthcare services are underway
- Major expansion projects - Hamad Medical Corporation (HMC) facilities, primary healthcare centres, emergency hospital and the establishment of new health centres over a period of five years

UPCOMING PROJECT OPPORTUNITIES

Barwa Real Estate is conducting feasibility studies and design enhancements for several land banks in order to ensure their best use and derive attractive returns;

- Barwa Al Baraha Phase 3
- Umm Shahrain Extension
- Barwa City Phase 3
- Lusail Golf

Barwa Real Estate Group has announced that the necessary procedures are being completed for contracting to start the implementation of two new projects in Al-Wakra. It is planned that one of the two projects will be allocated as an integrated housing complex for workers and the other as an integrated residential city for low-income families. The two projects, that Barwa will develop, come within the Group's initiatives to achieve Qatar's National Vision 2030 in terms of improving the living conditions of all groups in society.

Barwa Real Estate Group announces being selected as Preferred Bidder for the "Qatar Schools PPP Development Program – Package 1" by the Public Works Authority "ASHGHAL". Under this project, Barwa will be developing eight public schools across Qatar, for the Ministry of Education and Higher Education, as well as maintaining them for a period of 25 years in return of rental income.

This Public Private Partnership endeavor is the first of its kind in the State of Qatar, and an investment opportunity which brings sustainable long term returns for the group and its shareholders. Barwa Real Estate Group's participation in the project remains subject to the finalization of the project agreements with ASHGHAL and the satisfaction of conditions precedent, including financial close. The contract value and the financial impact will be announced after the commercial close and contract signing.

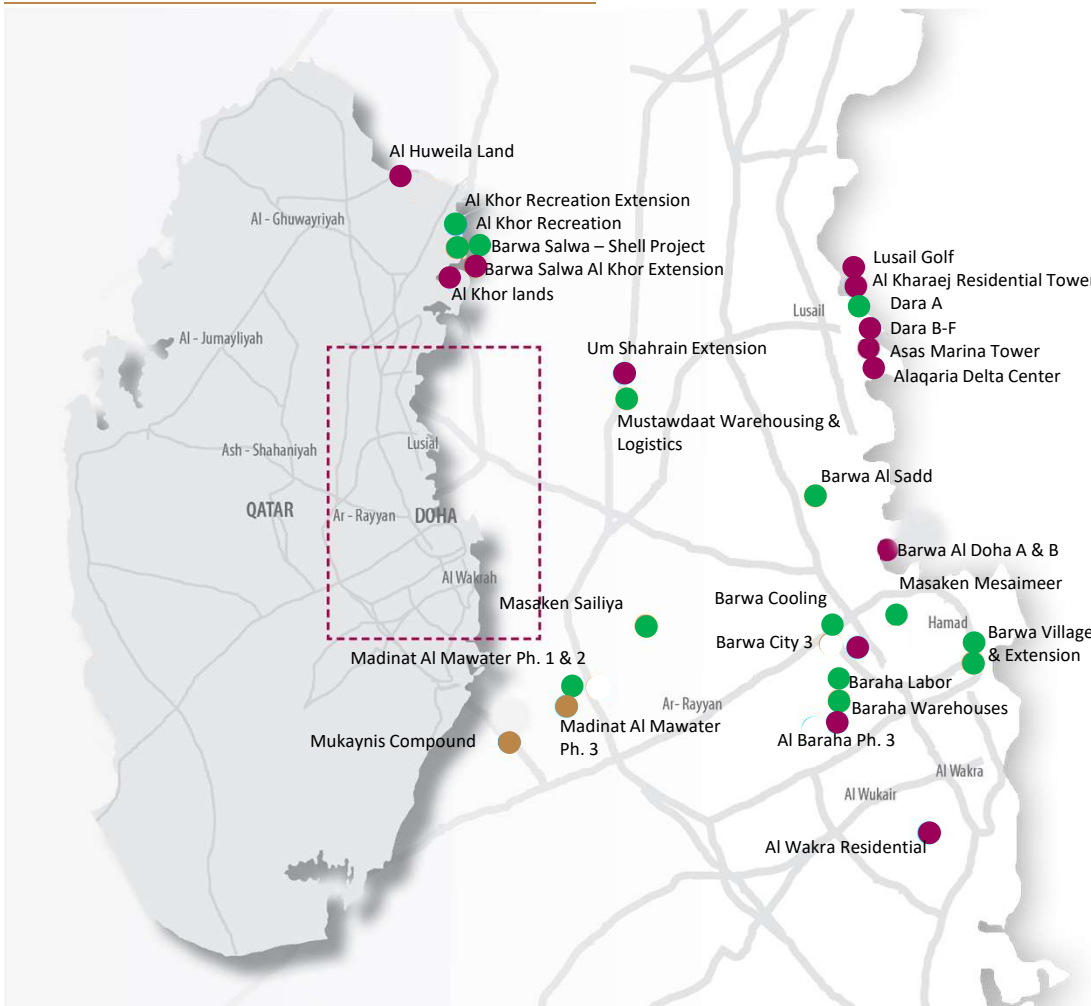

The company is also planning to expand into the healthcare development sector at our land in Barwa Al Doha.

The company is also evaluating and participating in several tenders offered by Public Works Authority (PWA) for Public Private Partnership (PPP).
