In 2004, Qatar ratified Law 17 allowing expats to purchase property in Freehold areas, which gives buyer the title to land as well as structure

By March 2019, the number of free hold zones increased from 3 to 10

Till date there has been limited impact due to market conditions , The implementation of the 2-tier permanent residency system in Q3-2020 is expected to :

- ✓ Create more incentives for investors and owner occupiers to purchase real estate in Qatar
- ✓ Facilitate a more mature investment market, which will evolve over time
- ✓ Increase in the choice of product and price range available

- Gross domestic product per capita, current prices (2023) - US\$ 81,968 (Source: IMF Data October 2023).

POISED FOR OVERALL GROWTH

- Qatar's natural gas resources are the country's main economic engine and contains approx. 14% of all known natural-gas reserves.
- In recent years, Qatar has witnessed higher contribution of non Oil & Gas sectors like real estate, infrastructure, manufacturing & financial services as a part of GDP.
- IMF projects 3.10% CAGR growth in Qatar's GDP from 2021-2028 (constant prices).
- Population is expected to be around 2.49 million by 2028 as per the IMF.

DEMAND DRIVERS

- Residency for expats by purchasing US\$ 200,000 worth real estate.
- National Vision 2030 lays the foundation to create an impetus for long-term all-round development.

QATAR REAL ESTATE – AN OVERVIEW

Residential Sector

- Recent law amendment of expanding freehold ownership in residential sector and subsequent introduction of the 2-tier residency system to provide further incentive to foreign owners to have outright owner
- Currently facing lower demand on account of rising supply in the market

Retail Sector

- Currently witnessing a constant influx of both small and large malls in the country
- Amid competition from newly opened super regional malls, oversupply has led to reduced rentals in the sector

Commercial Sector

- Witnessing a significant expansion of Grade A commercial office space
- Addition of new office space is expected for Qatar in the next decade, most notably in Lusail's Marina District and Energy City, West Bay, and Msheireb

Healthcare Sector

- Major projects to improve Qatar healthcare services are underway
- Major expansion projects - Hamad Medical Corporation (HMC) facilities, primary healthcare centres, emergency hospital and the establishment of new health centres over a period of five years

Education Sector

- Spending on education sector is on the Government's strategic agenda with a total outlay of QAR 19.2 billion in the budget 2019, 9.3% of the total expenditure
- Major educational projects underway in the field of engineering, medicine, law, and pharmacology of Qatar University. The fund also includes QAR 6.8 billion for launch of new schools over the next five years
- Government is considering PPP model to build schools & is floating tenders for the

SUBSEQUENT EVENT: TRANSACTION DETAILS – LUSAIL GOLF LAND

On 20 July 2023, Barwa Real Estate announced an agreement to sell two land plots in the Lusail area:

Barwa Real Estate announced that Lusail Golf Development Company, fully owned by the Barwa Group, has reached an agreement to sell two land plots in the Lusail area with a total area of 3,476,192 sqm.

The agreed selling price is QAR 6.36 billion will be realized over the period from the date of completing the sale to Q2 2024. The proceeds from the sale will be used to settle financial obligations within the group. It is targeted to complete all necessary procedures for the sale process during the third quarter of 2023. The sale transaction is part of Barwa's strategy to divest from non-performing assets, which allows for a reduction in financial obligations and financing costs.

This will have a positive impact on the group's cash flows, financial position, and financial indicators. It also contributes to directing operating cash towards developing the income-generating investment portfolio and achieving sustainable growth in shareholder returns.
